Three simple numbers, always the same ones, from the website, the menu and the Google listing. If a number is not available, it is said: nothing is invented.

05 What is recommended for next month

- Recommendation 1, with the cost, for example: add table booking, about x hours
- Recommendation 2 (two at most)

FIRST-MONTH REPORT ONLY

What we learned

In the first month the hours were not counted. Now we look together at how much was really needed, to set a fair budget for the rest of the year.
